# **Love Your Tree**

## **Cultivating Compassion Through Art**

Like trees in a forest, we are strong. We are resilient. We are all unique, and we are interconnected. *Love Your Tree* is a creative arts program that focuses on cultivating self-compassion, body acceptance and positive mental well-being through creativity, community connection and self-reflection.

Program participants not only express themselves artistically but also explore various creative mediums that reflect the natural and healthy diversity in our world.

#### WHO CAN PARTICIPATE?

Anyone and everyone. You can choose to participate as an individual, as a therapist, or you can host an event for your class or organization. *Love Your Tree* is a great way for individuals, families, colleges, clinicians, social organizations and professional groups to get creative together while promoting positive mental well-being.

#### **GETTING INVOLVED IS EASY.**

Step 1: Download the Program Pack at LoveYourTree.org.

**Step 2:** Use the information and guided activities to create an original piece of creative art based on one (or all) of the Branches of Hope. Remember, artwork is a broad term that includes ANY application of your creativity and imagination. **Entries may include art in all its forms including but not limited to paintings, drawings, photographs, songs, poems, collages and more!** 

**Step 3:** Submit your entry at **LoveYourTree.org** and your artwork will be added to the national virtual art gallery. Share your finished art on social media and tag us with **@EatingRecovery @PathlightBH #LoveYourTree** 

Or, contact us regarding how to lead a *Love Your Tree* workshop for your patients, students or community members. To find out more, email us at **LoveYourTree@ERCPathlight.com** or visit us at **LoveYourTree.org**.
