

PROGRAMS AT A GLANCE

National Behavioral Health Care System Offering Treatment Across the U.S.

Eating Recovery Center (ERC) and Pathlight Mood & Anxiety Center (Pathlight) provide intensive treatment programs, in-person and virtual, designed for patients of all ages, ethnicities, gender identities and expressions. We help illuminate their unique paths forward and give them a foundation for long-lasting, life-changing mental wellness.

ERC specializes in treating patients struggling with eating disorders including anorexia nervosa, bulimia nervosa, diabulimia, binge eating disorder, avoidant restrictive food intake disorder and co-occurring conditions.

Pathlight specializes in treating patients struggling with mood and anxiety disorders, trauma-related disorders and co-occurring substance use disorders.

Multiple Levels of Care

On-site Care:

- Inpatient Intensive Treatment Unit (ERC Only)
- Inpatient (ERC Only)
- Residential
- Partial Hospitalization Program
- Intensive Outpatient Program (IOP)

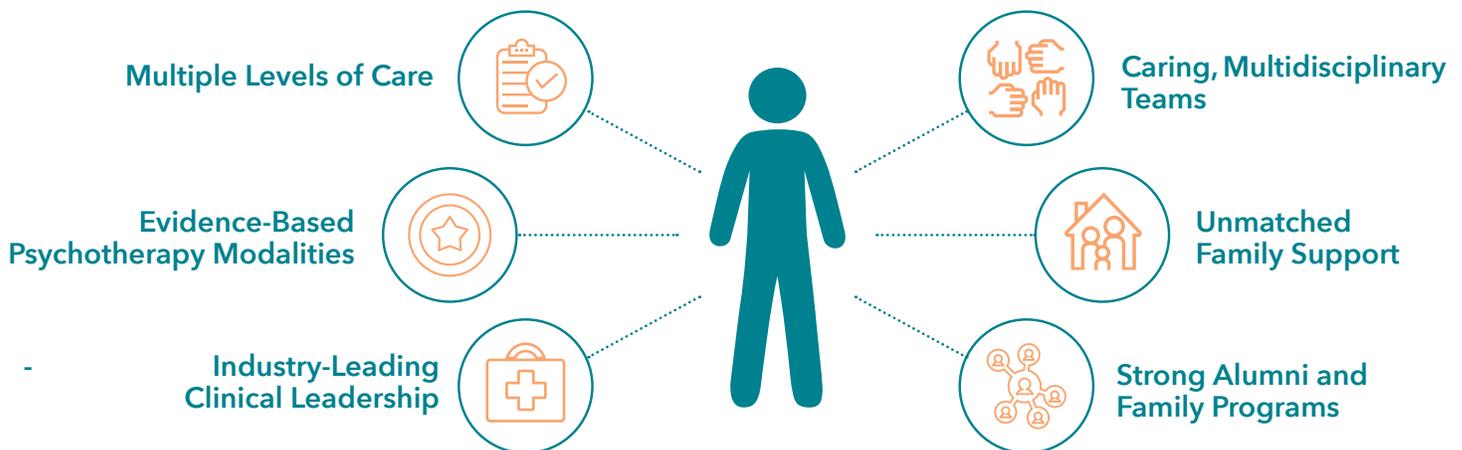

Virtual Care - Eating Recovery and Pathlight At Home:
